## RESOLUTION 2019-R-196

### Resolution Calling for Study Commission to Review the Open Public Records Act

**WHEREAS**, the Township of Maple Shade strongly believes in and supports open transparent government, and that citizens and residents have the right to be informed about the workings of government in order to best participate in a democracy; and

**WHEREAS**, on January 8, 2002 then Acting Governor DiFrancesco signed into law the Open Public Records Act (OPRA) which mandates that government records shall be available, with limited exceptions, for public access and simplifying the procedures for requesting such specific records; and

**WHEREAS**, the intent of the law was to provide the public with easy access to government records with an uncomplicated process for obtaining the records and eliminating bureaucratic red tape; and

**WHEREAS**, the intent of the law was to provide the public with easy access to government records with an uncomplicated process for obtaining the records and eliminating bureaucratic red tape; and

**WHEREAS**, the purposes and intent of the law serve an important public interest, many public entities have found that OPRA compliance is a significant burden on municipal resources. There is a nominal charge of 5 cents per copy for a letter size page and 7 cents a copy for legal size pages when applicable. Electronic documents are free. The cost for copies is fair. However, there are substantial indirect costs associated with locating the documents and responding to requests that may seek documents over a time period that may span several years. Many times, a request will take a Municipal Clerk several hours to complete. Municipal Clerks are responding to a rising frequency of OPRA requests as the public avails themselves of the right to know. This process is often very time consuming. Sometimes a Municipal Clerk must search for documents that are no longer available under State Law which allows for certain records to be destroyed after a certain time period; and

**WHEREAS**, the Municipal Clerk is the hub of government and the direct link between the taxpayers and the governing body and are primarily charged with the responsibility of ensuring OPRA compliance; and

**WHEREAS**, Maple Shade's Municipal Clerk's office is staffed with a Deputy that is full time in another office, coverage is minimum which leaves one employee to perform these functions; and

**WHEREAS**, over the course of 18 years OPRA has been a positive light, but it has also been fraught with abuse and misuse, and has become an unanticipated financial cost to the taxpayers of New Jersey; and

**WHEREAS**, Maple Shade Township has labored under a well-intended law that has spiraled out of control, due to the volume and nature of requests, the cost to taxpayers in responding to the

requests, and the potential liability in having to pay disproportionate prevailing party attorney's fees should the requests turn into litigated matters, as well as the liability in determining which documents shall be released, with or without redaction, while attempting to maintain individual privacy; and

**WHEREAS**, it is not only the volume of OPRA requests that challenge our resources, but it is also the cost associated with reviewing, retrieving, and processing the OPRA request(s) by public entity personnel and counsel and possibly defending our action(s) before the Government Records Council or in Superior Court; and

**WHEREAS**, Maple Shade received and responded to 484 OPRA requests in 2017, 411 OPRA requests in 2018, and to date has received and responded to 357 OPRA requests as of September 1, 2019; and

**WHEREAS**, Maple Shade municipal staff has spent approximately 250 responding to OPRA requests received in 2019 to date, and a yearly average of approximately 650 hours since 2017; and

**WHEREAS**, due to the often conflicting case law and Government Record Council decisions, as well as the unique characteristics of OPRA request, the Township of Maple Shade must often times rely on the municipal attorney to review certain OPRA requests, resulting in additional fees of approximately \$14,000 in response to OPRA requests in 2017, \$11,000 in response to OPRA requests in 2018, and currently has spent \$6,000 in response to OPRA requests in 2019; and

**WHEREAS**, with limited exceptions OPRA has not been amended to address the clear and apparent advancement in technology that has changed the way government records are created, stored, and/or transmitted; the various interpretive decisions; privacy concerns; abuse for commercial gain; and/or the ever increasing cost to taxpayers; and

**WHEREAS**, as the current law approaches its twentieth (20<sup>th</sup>) anniversary it has outgrown its original intended use and has become ripe for comprehensive review and reform;

**NOW, THEREFORE BE IT RESOLVED** that the governing body of the Township of Maple Shade appeals to the legislature to form a Commission comprised of Mayors, Municipal Clerks, Municipal Managers, Attorneys, Police Chiefs, open government advocates, privacy experts, members of the media, citizens and other appropriate stakeholders, to review and examine the effects of OPRA on local government and the needs to be fulfilled by the law, and use the Commission's findings to perform a comprehensive reform of OPRA; and

**BE IT FURTHER RESOLVED**, that copies of this resolution be forwarded to Assemblyman Louis Greenwald and Assemblywoman Pamela Lampitt, Senator James Beach, Assembly Speaker Craig Coughlin, Senate President Stephen Sweeney, Senator Weinberg, Executive Director of the Government Records Council, the Governor of the State of New Jersey, the Municipal Clerks Association of New Jersey and New Jersey State League of Municipalities.

**CERTIFICATION**

I hereby certify the foregoing to be a true copy of a Resolution adopted by the Township Council of the Township of Maple Shade, County of Burlington and State of New Jersey at a meeting held December 5, 2019.
