WHEREAS the Township Council determined it is in the best interests of Township residents to amend the Township Code at this time to require inspections for lead-based paint in certain residential rental dwellings to conform with State law.

NOW THEREFORE BE IT RESOLVED, by the Township Council of the Township of Maple Shade, County of Burlington, State of New Jersey that:

Section 1. The aforementioned recitals are incorporated in their entirety, as if restated herein.

Section 2. Chapter 152 of the Township Code, entitled "Property Maintenance" shall be hereby amended and supplemented as follows:

Article II. Lead-Based Paint Inspections.

152-100. Required Initial Inspection. The owner, landlord and/or agent of every single-family, two-family, and /or multiple dwelling unit offered for rental shall be required to obtain an inspection of the unit for lead-based paint hazards within two years of the effective date of the law, July 2, 2022, or upon tenant turnover, whichever is earlier.

152-101. Required Recurring Inspection. After the initial inspection required by

Section 152-XX, the owner, landlord and/or agent of such dwelling unit offered for rental shall be required to obtain an inspection of the unit for lead-based paint hazards every three (3) years, or at tenant turnover, whichever is earlier, except that an inspection upon tenant turnover shall not be required if the owner has a valid lead-safe certification.

- d. has a valid lead-safe certification issued in accordance with N.J.S.A. 52:27D-437.16(d)(2).

152-104 If lead-based paint hazards are identified, then the owner of the dwelling shall remediate the hazards through abatement or lead-based paint hazard control mechanisms in accordance with N.J.S.A. 52:27D-437.16(d). Upon the remediation of the lead-based paint hazard, the Township Code Enforcement Officer or designee, as may be applicable, or the owner's private lead inspector, shall conduct an additional inspection of the unit to certify that the hazard no longer exists.

152-105. If no lead-based paint hazards are identified, then the Township Code Enforcement Officer or designee or the owner's private lead inspector shall certify the dwelling as lead safe on a form prescribed by the Department of Community Affairs, which shall be valid for two years and shall be filed with the Township's Code Enforcement Officer. - b. The fee for the filing of a lead-safe certification or lead-free certification shall be \$50.
- c. In a common interest community, any inspection fee charged shall be the responsibility of the unit owner and not the homeowners' association, unless the association is the owner of the unit.
