

## FROM MAPLE SHADE TOWNSHIP

May 2<sup>nd</sup>, 2024

The Township of Maple Shade is pleased to announce that as of 8:00am today the Maple Shade Fire Department has returned to **active** status. Under the newly combined leadership of Chief Dan Kerr and Deputy Chief Andrew Simonsick, Jr., the men and women of the department have been given the nod from State and County officials to begin performing the duties of fire protection services for our community.

We are grateful to our neighboring municipal partners who have been serving our community throughout this transition and we pledge our continued diligence as we grow and improve our fire protection services.

To our residents, thank you for your patience and understanding as we continue to work through the remaining issues to provide modern-day fire protection services to our community.
