An application is hereby made to permit the placement of a waste refuse container, commonly known as a roll-off dumpster or roll-off container on or along the above listed roadway. It is agreed that any dumpster or container placed on or along the roadway shall be equipped with markings consisting of all yellow reflective diamond shaped panels having a minimum size of 18 inches by 18 inches. These panels shall be mounted at the edge of the dumpster or container at both ends nearest the path of passing vehicles and facing the direction of oncoming traffic. These markers shall have a minimum height of 3 feet from the bottom of the panels to the surface of the roadway. If approved, this permit shall be valid for a period of 7 days and may be renewed by the approving authority for additional 7 day periods, not to exceed a total of 30 days. The applicant is responsible for any damage to the roadway or other property caused by the placement of the dumpster or container.

## CHAPTER 51. UNATTENDED DUMPSTERS

(Selected Section)

### 27:51-1. Roll-Off Dumpsters and Containers along Highway or Public Property; Warning Markers; Penalties.

- a. No person shall park or leave unattended any waste or refuse container, commonly known as a roll-off dumpster or roll-off container, on or along any highway or public property, without the written consent of the appropriate Municipal, County or State Authority having jurisdiction over the highway or public property. Consent shall be valid and remain in effect for a period of not more than 30 days, but may be renewed by the appropriate official upon application therefore.

To warn the operators of vehicles of the presence of a traffic hazard requiring the exercise of unusual care, any roll-off dumpster or roll-off container parked on or along any highway shall be equipped with and display markers consisting of all yellow reflective diamond-shaped panels having a minimum size of 18 inches by 18 inches. These panels shall be mounted at the edge of the dumpster or container at both ends nearest the path of passing vehicles and facing the direction of oncoming traffic. These markers shall have a minimum mounting height of three feet from the bottom of the panels to the surface of the roadway.

- b. A person who is convicted of a violation of this section shall pay a fine of not more than \$100.00 for each violation. In default of the payment of a fine, imprisonment in the county jail for a period of not more than 90 days may be imposed.

The fine shall be paid over to the board or body charged with the maintenance of the road or highway upon which the violation occurs.

### EXAMPLE

### § 194-43 Definitions.

As used in this article, the following terms shall have the meanings indicated:

#### **DUMPSTER**

Any container that has the ability to hold more than two fifty-gallon trash cans of debris, or any container used for the purpose of holding construction debris.

#### **PUBLIC AREA**

Includes any street, sidewalk, highway, public lane, alley, Township parking lot or other public place in the Township.

### § 194-44 Permit required.

No person shall place or utilize a dumpster or permit a dumpster to be placed on or along a public area in the Township of Maple Shade without first having obtained a permit from the Construction Office upon approval from the Police Department.

### § 194-45 Application for permit; fees; conditions of issuance.

- A. Application for a dumpster permit shall be made by submission of the following information to the Township Construction Office:
- (1) Name and address of the applicant and the owner of the property, if different.
  - (2) Street address.
  - (3) Size of the dumpster to be placed at the site and the proposed location of the dumpster.
  - (4) Anticipated length of time the dumpster will be located at the site.
- B. The permit shall be valid for a period of seven days and may be renewed upon application to the Construction Office for additional seven-day periods not to exceed a total period of 30 days.
- C. A permit may be revoked at any time during its term if the placement or use of the dumpster constitutes a hazard to the health, safety or welfare of the citizens of the Township or for any other reason constitutes a nuisance.
- D. No permit shall be issued if the Police Department determines that the issuance of a permit will constitute a danger to public safety or an unwarranted interference with the efficient movement of traffic.

### § 194-46 Location, placement and condition of dumpsters.

- A. No dumpster shall be placed in a public area in a residential zone unless it is determined by the Police Department that there is insufficient room to place the dumpster on the private property of the person utilizing the dumpster. No dumpster placed on private property, otherwise unregulated by this chapter, shall impede the flow of pedestrian or vehicular traffic or safety site lines.
- B. The dumpster shall be equipped with markers consisting of all yellow reflective diamond-shaped panels measuring a minimum of 18 inches by 18 inches. These panels shall be mounted at the edge of the dumpster at both ends nearest the path of passing vehicles and facing the direction of oncoming traffic. The required markers shall have a minimum height of three feet from the bottom of the panels to the surface of the roadway.
- C. All dumpsters shall at all times be kept in good repair and shall be structurally sound and leakproof and shall be painted as to prevent the show of rust or deterioration and shall be constructed to stand firmly upright.
- D. Upon removal of the dumpster, the area shall be swept clean of all loose debris and restored to its former condition in accord with the standards of the Township Engineer.
- E. The applicant shall be responsible for any damage to the roadway or other property caused by the placement of the container.

### § 194-47 Failure to remove: removal by Township; cost to be lien.

If the dumpster is not removed at the expiration of the permit, the Construction Code Official shall notify the owner that he has 10 days in which to have the dumpster removed from the premises. In the event the owner fails to comply, the dumpster shall be deemed to have been abandoned and the Construction Code Official may arrange for its removal and the disposal of its contents. The costs associated with the removal of the dumpster and the disposal of its contents shall be a municipal lien against the property. A detailed statement of the aforesaid costs shall be certified by the Construction Code Official and forwarded to the Township Council, which shall examine the certification and, if found correct, shall cause the same to be filed with the Tax Collector and a copy forwarded to the property owner. This amount shall be charged against the land and shall become a lien upon such lands and shall bear interest at the same rate as taxes and shall be collected and enforced by the Tax Collector.

### § 194-48 Violations and penalties.

[Amended 4-16-2008 by Ord. No. 2008-07]

Any person who shall violate any provisions of this chapter, upon conviction, shall be subject to the penalty as provided in Chapter 1, Article II, herein.
